

Price : \$4400.00

The Vantage VSLC corner platform garage storage lift is a great choice for customers that have garages with limited side wall or front wall space. The unique platform design of the VSLC-10 and the VSLC-8 allows the column to be mounted in any corner of your garage.

The loaded platform can be fully raised high for the entire vehicle to be parked under it, or it can be raised just high enough for just the hood to be pulled under.

The platform size is large enough to store golf carts, motorized lawn equipment, ATVs, and other items that have been taking up valuable floor space.

PRODUCT INFORMATION

Capacity * (Weight evenly distributed) : 1,500 LBS.

Column Height : 94.5" (7'10.5")

Total Width : 119" (9'11")

Platform Width : 113" (9'5") *

Total Depth * : 120" (10')

Platform Depth : 116" (9'8") *

Clearance Under Platform at Max Height : 67" (5'7")
